

Life Camp 2017

Lopez Canyon Conference Center
3067 Upper Lopez Canyon Rd.
August 7-12, 2017

Life Camp is a camp designed to train Christian kids 3rd through 8th grade ('16-'17 school year) to be stronger and more effective in their faith. It will be a week of fun and intense spiritual training to bring children closer to their Lord, and prepare them to take a stand for Him. It is also a good chance for kids to meet other committed Christians their age.

Our name stands for **Living In Faith Effectively**. We feel there is a need for an effective living out of our faith (James 2:16-26). We want to be an encouragement to children not to conform to the world, but by faith, to live a dynamic, distinctive Christian life (Romans 12:1-2).

We will study how we are to be vessels of honor for God (2 Timothy 2), dedicated our whole lives to His service. Daily activities include a memory verse, morning devotions, biography hour, a Bible lesson, a missionary lesson, evening chapel and cabin devotions.

In addition to many activities geared toward spiritual growth, there will be many fun activities and opportunities to build meaningful friendships. Fun activities include swimming times for the boys and for the girls, games on the field and exploring the creek. Campers will also have a chance to share a talent or to take part in a skit in our annual Talent Show.

We ask that a parent or guardian fill out the camper application/medical release and return it to Life Camp along with a non-refundable deposit of \$30 to reserve your place. The balance is due July 30. The cost will be \$245 for the first child and \$235 for each additional child. Applications received by June 30th receive a \$20 discount per camper. Some scholarships are available. Children may also participate in a fund raiser to raise their own camp fees.

Please detach the reference letter and give it to a pastor or elder at your church to be filled out and returned to us directly. Upon acceptance of your child, we will send you a packet including a list of what to bring, the daily schedule, and directions to Lopez Canyon Conference Center.

Dear Fellow Christian worker:

We at LIFE Camp strive to create an environment conducive to spiritual growth among Christian youth. We appreciate your willingness to give us some background information on this applicant. Your comments are very important – they will help us to learn how best to minister to this child. They will enable us to start meeting his/her needs immediately, rather than spending time determining those needs. In order to have a lasting effect upon the children who attend LIFE Camp, we know that follow-up is essential. We ask for your help in this. We cannot follow up on each camper as practically and effectively as their local congregations can. The difference lies in the opportunity that you have ministering to these kids all year round, while we are only able to reach out to them for a single week. We ask that you pray for this child and recommend that you ask the child about the camp experience and what was learned.

Please fill out the following questionnaire and email to jakerothman@lifecampslo.org.

Your Name:

Child's Name:

What church do you attend?

What is your position at that church?

Please tell us about the spiritual walk of the child.

Are you willing to meet with this child for a follow-up appointment? (This is not necessary for admission.)

Do you have any comments that will be helpful to us in ministering to this child?

May we contact you for further questions?
