

# LIFE CAMP SCHOLARSHIP APPLICATION

Life Camp desires all children who are spiritually mature enough to benefit from our ministry to have the opportunity to come to camp regardless of their family's ability to pay. God has faithfully raised up some donors to help those families that are struggling financially and would not otherwise be able to afford camp for their children. We strive to be good stewards of these funds and to direct them carefully to meet real needs. Because we want to keep Life Camp as affordable as possible, we are not able to provide financial assistance out of our own budget and are fully reliant on outside donors. If your family needs assistance, please fill out this application. Note that scholarships are subject to availability, and that the earlier you apply the greater your chance of receiving aid. It is the camp's desire to provide only limited (partial) scholarships to the selected applicants. Full scholarships will only be considered in rare cases. We suggest you consider asking family members for help, doing a fund raiser, or talking with your church about your situation if you need more aid.

We encourage you and your family to pray and seek wisdom in deciding your family's current need and whether to request scholarship consideration. Please fill out the following questionnaire to the best of your knowledge. We request your understanding and patience in the selection process.
